Education

Lovely Professional University

Master of Computer Applications

Oct 2024 – July 2026

Gurgaon

Ambalika Institute of Management Technology

Bachelor Of Computer Application

Sept 2021 – June 2024

Lucknow

Experience-

Code Alpha

Nov 2023 – Jan 2024

Web developer Intern

- working on a project that involves Html, CSS, JavaScript and Web development, GitLab for version control, MongoDB for efficient data storage, and implementing OAuth authentication for enhanced security.
- Working on an integration, creating a common schema for mapping all CRUD pipelines, testing, bug checking, and resolving issues.
- Collaborated with team members using version control systems such as Git to organize modifications and assign tasks.

Let's grow More

Jun 2023 – August 2023

Web developer Intern

- Conceived a website using HTML, CSS, JavaScript, and Bootstrap. Collaborated cross-functionally to integrate features, conducted code reviews.
- Designed a portfolio, created Web Page, and explored ES6 concepts in JavaScript.
- Explored ways to visualize and send a daily report of test results to team members using HTML, JavaScript, and CSS.

Project

E-commerce website | Java, Spring, Bootstrap, JavaScript, PostgreSQL | [Nitesh1357/Ecommerce-web: Try to make website using Spring Boot](https://www.linkedin.com/in/niteshmishra1357/)

- Fully functional **E-commerce website** with **Java** and **Spring Framework**.
- Responsive front-end using **HTML**, **CSS**, and **JavaScript**.
- Built robust RESTful APIs for handling products, orders, and cart functionality.
- Optimized database performance with **MySQL** for scalable data management.

Turismo- travel agency website | React, MySQL, JavaScript, Java, Spring | [Turismo](https://www.linkedin.com/in/niteshmishra1357/)

- **Turismo**, a dynamic travel agency website using **Java** and **Spring Framework**.
- Implemented features for booking, itinerary management, and user reviews.
- Ensured application security and performance through comprehensive testing and debugging.
- Integrated responsive design to support cross-platform usability.

Technical Skills

Languages: Java, Python, JavaScript, HTML/CSS, MongoDB, MySQL

Developer Tools: VS Code, IntelliJ, NetBeans, Google Cloud Platform, Netlify, Vercel,

Technologies/Frameworks: Nodejs, Spring Boot, DSA, Git and GitHub, WordPress, React, Bootstrap

Achievements

- Participator of **Hacktoberfest** open-source program and **Try Hack me** Event.
- Many Swags from **Google Cloud Arcade**, **Cloud bootcamp** and **Devfest**.
- Complete internship on **Let's Grow More** and **Code Alpha**.
